August 9, 2011

Public Service comission of South Carolina
P.O. Drawer 11649
Columbia S.C. 29211

Docket #2011-271-E

To whom it may concern.

*I wish to register a complaint in regards to the increase in services to
DUKE ENERGY. It seem when people are having a hard time meeting
The obligations we already have is know time to be increasing our bills.
Please take into consideration stoping this increase as I don't think this is
fair to the general public.*

Sincerely,

George F. Rogers
